

A community project of North Mountain United Tapestry

Vendor Application Form

*The North Mountain Market will be entering its fourth year in 2017.
The Market will be open for 20 consecutive Saturdays from June 3rd to October 14th.
Operating hours will be from 9:00 am until 1:00 pm.*

The benefits of being a North Mountain Market vendor include:

- an opportunity to sell your products from an authentic meeting place: the historic United Church of Canada, located at 3201 Long Point Rd in Harbourville, N.S.;*
- a small but loyal clientele, which we hope will increase in number this year;*
- a warm and welcoming atmosphere that occasionally features live music;*
- free wi-fi access (for credit card payments);*
- a low annual fee of \$160 to be paid in full on or before the first market day; and*
- as an added benefit, new vendors are encouraged to come try out our Market with these low introductory rates: first market day = \$0, second market day = \$5, and \$10 every market day thereafter.*

To be considered for the 2017 season, please fill out this form and return it to the Market Committee before May 15, 2017 for seasonal vendors, or at least one week prior to desired market day for occasional vendors.

Vendor table locations both inside the church and outside will be allocated based on seniority and necessity.
